## £35M 'FUTURE OF THE RAILWAYS' UNVEILED

• Basingstoke and Deane Borough Council leader Clive Sanders (centre) cutting the ribbon with John Halsall (left) and Tim Shoveller (right) and (far right) the Basingstoke Campus

**A LONG-AWAITED railway operating and training centre has been officially opened in Basingstoke.**

The state-of-the-art £35million Rail Operating Centre (ROC) will act as a signalling control centre for the Wessex region from its base in Gresley Road, north of Basing View.

Around 500 jobs have been created as a result of the build, which will provide training for staff from both Network Rail and South West Trains under one roof.

The Basingstoke Campus is one of 12 ROCs being built nationwide by the organisations, and will include indoor and outdoor track layouts, a train simulator and educational training space for engineers, signallers and drivers.

Construction started at the 25,300sqm site over two years ago, with the centre a key part of Basingstoke and Deane Borough Council's £200m development of Basing View.

Council leader Clive Sanders said: "It's such a pleasure to finally welcome this build and both Network Rail and South West Trains to Basingstoke.

"All businesses are about people, and giving them the best skills to learn is so important.

"Rail has been the forgotten service in this part of the world in terms of investment in the last few years, and that has got to change.

"We have ambitious plans here in Basingstoke to build up the economic vitality of the area, and to build up momentum we

By **Christian Wilson**

really need the train service to be successful."

The new centre will eventually replace more than 800 signal boxes and other operational locations currently in use around the network, while using advanced technology to control all trains travelling between London Waterloo and the south coast.

As well as being the first centre of its kind in the country, the Basingstoke Campus also has

the capacity to train a total of 220 people each day, with a Network Rail chief labelling the facilities as "tremendous" at Monday's ceremony.

Managing director for Wessex Route, John Halsall, said: "Our investment here provides world-class training facilities, enabling us to modernise and upskill our people so they can deliver a safer, more efficient railway for passengers as part of our Railway Upgrade.

"The centre will also help us as we evolve our alliance with South West Trains, with all our staff developing side by side."

# Charities receive mayor cash boost

A FORMER mayor has handed over more than £36,000 in funds raised under his tenure to six charities across Basingstoke and Deane.

Borough councillor Roger Gardiner served as mayor for Basingstoke and Deane last year before handing over the reins to current mayor Cllr Anne Court in May.

And after overseeing a range of fundraising events, Cllr Gardiner, of Pamber and Silchester ward, presented £36,014 to his chosen charities at a ceremony at the Mayor's Parlour on Friday. He said: "I had a fantastic year as the mayor of Basingstoke and Deane raising money for these wonderful charities who do such good work in the community."

"I am very proud that we raised more than £36,000, which will help them to continue to provide their excellent services."

"I would like to thank the people of Basingstoke for their wonderful generosity in supporting my charity appeal and also on behalf of the charities that have benefited."

"Money is still being raised for each of the charities through local events, and I hope people will continue to support them."

Fundraisers ranged from charity

meals at Basingstoke College of Technology (BCoT) and Audley's Wood, the Basingstoke Variety Show and the St George's Celebration, while Cllr Gardiner's stepdaughter Alex Surridge also raised £1,400 by running the Surrey Half Marathon.

And totals of £20,314 and £10,000 have now been handed to respective organisations Basingstoke Young Carers and The Basingstoke Charities.

Basingstoke Young Carers volunteer Derek Newland said: "We are delighted to receive the funds from Cllr Gardiner as the charity relies on grants and donations to keep going."

"So many local young people who look after family members will now benefit from this funding."

The Basingstoke Charities chairman Eve Boulton added: "The £10,000 donation we have received will make a valuable contribution towards the roof refurbishment project at Sir James Deane Almshouses."

Basingstoke Community Furniture Project and North West

Hampshire Homestart have also both been handed £2,500 apiece, while the Bucksin Flood Appeal and Kempshott Coffee Club have received £500 and £200 each.

## Man killed after motorbike collision

A WINKLEBURY motorcyclist has died following a fatal road crash in Basingstoke on Sunday afternoon.

Jamie Hill, 25, of Sycamore Way, was knocked off his motorbike after colliding with a white Nissan car at the junction between Oakridge Road and Sherbourne Road.

Police were called to the scene at around 2.20pm, with Mr Hill later being pronounced dead as a result of the injuries sustained in the collision.

Neither of the two people travelling in the Nissan were hurt

during the incident.

Hampshire Constabulary officers closed the junction and the surrounding roads for several hours at the time.

An inquest into Mr Hill's death has been opened by North East Hampshire Coroner Andrew Bradley, and has been adjourned until February 1 next year.

Anyone who witnessed the collision or has any information that may assist police with their enquiries is asked to contact roads policing officers at Whitechurch police station by phoning 101.

**News Bites****Store opening**

**BASINGSTOKE:** The first delivery of stock has been received at the new John Lewis and Waitrose store ahead of its grand opening next week.

Members of the public will be able to grab their first look of the £7million John superstore in Basing View from 9am on Thursday.

John Lewis at home branch manager Ali Gilbert said: "We're now one week away from opening and the teams at John Lewis at home and Waitrose Basingstoke are looking forward to opening their doors for the first time."

"Receiving our first stock deliveries and starting to fill the shelves is extremely exciting as we begin to see the shops come alive, and we can't wait to greet our very first customers next Thursday."

**Tampon tax**

**BASINGSTOKE:** Maria Miller voted against a motion to remove the five per cent tax currently imposed on sanitary products in parliament last week.

The Basingstoke MP was one of 305 members to vote against making the change to the so called "tampon tax" in last Monday's ballot at the House of Commons.

A total of 287 MPs voted in favour of the motion, which was brought forward by Labour members to scrap the tax for the sanitary product – currently considered a luxury item in the eyes of EU law.

# Town lit up by Day of the Dead parade

**THE opening scene from the new James Bond film Spectre was brought to life in the Top of Town on Friday.**

Hundreds of people came out in force to bring the Mexican Day of the Dead to the streets of Basingstoke in the same manner as Daniel Craig and co had done in Mexico City.

**By Christian Wilson**

[christian@observergroup.co.uk](mailto:christian@observergroup.co.uk)

Dancers donned in scary face paint led a colourful music procession of giant illuminated skulls, skeletons and lanterns up towards Market Place as an

alternative to Halloween.

The so-called Dia de los Muertos celebration - translated to Day of the Dead - traditionally honours lost loved ones and ancestors, with the town's twist seeing people come together to commemorate all things Basingstoke.

As well as the parade and per-

formances from local groups JG Dance and Basingstoke Academy of Dance (BAD), a giant projection created by filmmaker Dr Lighthouse followed outside the Willis Museum exploring the town's history and heritage.

Live music performances, an illuminated night market, a gift fair and street food stalls also covered the Top of Town.

And youngsters enjoyed a range of arts and craft activities, such as a sugar skull craft workshop and lantern making.

The event was the first of its kind in the area, and was delivered by Proteus Theatre Company and Hampshire Cultural Trust as part of Basingstoke and Deane Borough Council's drive to bring more people to the town centre.

Leader of the town centre programme, Cllr Terri Reid, said: "Mexican Day of the Dead was a great alternative to the traditional Halloween festivities as it celebrates local ancestry and diversity.

"This was really reflected in the tales of the town's past that it brought to life.

"It was great to see the number of residents who joined in the spirit of things and got involved."

She added: "Alongside the community and dance groups performing, children made and carried lanterns and loads of other local people took part in the parade or in the film projected onto the Willis Museum.

"I hope this will help raise the profile of the arts in the historic heart of Basingstoke."

### Online reporting

**BASINGSTOKE:** The borough council has urged residents who spot littering, fly-tipping, graffiti and dog fouling to report incidents using a new feature on the authority's website.

The public can now point out and report incidents on a map and upload a photo.

Cabinet member Hayley Eachus said: "This new 'report it' feature makes use of smartphone photos and maps to help us keep our communities even cleaner."

For more information, visit [basingstoke.gov.uk/report](http://basingstoke.gov.uk/report).

### Gold scam

**BASINGSTOKE:** Three people have been arrested following a suspicious incident where a motorist was offered gold in Basingstoke last Tuesday.

Police intervened after two men and a woman flagged down a 73-year-old driver claiming to have run out of petrol and offering to sell him counterfeit gold in return for money.

Similar scams have previously taken place in the area, and have seen people mistakenly buy highly polished copper.

### Odiham plan

**ODIHAM:** A consultation is under way on the pre-submission neighbourhood plan for Odiham and North Warnborough.

It is the first formal consultation on a blueprint for land use in the parish until 2032, with the main task to find sites to accommodate extra housing allocated by Hart District Council.

## Rail training centre celebrates opening

• From front page

Mr Halsall added: "To deliver such high-quality training facilities to Basingstoke is just tremendous, and I'm really proud to be part of it."

The partnership has seen both rail organisations invest £1 billion across the country through the new ROCs, in a bid to reduce delays for customers and increase rail efficiency and network capacity.

Director for South West Trains, Tim Shoveller, added: "This is many years' worth of vision being delivered here today.

"What we're presenting here is a symbol of the future of the railways

and is all about going forward and providing a better service for the next generation.

"We run one of the busiest railways in Europe, with over half a million journeys every day and our alliance with Network Rail is absolutely vital in ensuring we can continue to provide the services our passengers rightly expect.

"Highly trained, motivated and rewarded staff are an important part of this alliance and the Basingstoke Campus will be at the centre of this for years to come, with all of our plans for the area hinging around this building."

## Helicopters used in NATO exercise

CHINOOKS from RAF Odiham will be deployed on embarked operations with the Royal Navy throughout this month.

Operating from the Navy's landing platform helicopter (LPH) HMS Ocean based in the seas around Portugal, Spain and Italy, the aircraft will provide lift and resupply to Exercise Trident Juncture.

Over 36,000 personnel from 30 nations will take part in the exercise to ensure that NATO Allies are ready to deal with any emerging crisis, with the Chinooks part of the long-standing annual deployment of the UK's COUGAR Joint Expeditionary Force.

An RAF Odiham statement said: "Ex trident juncture is the biggest and most ambitious NATO exercise in more than a decade, focused on exercising crisis response, collective defence, and helping to shape the future adaptation and posture of the alliance."

"RAF Odiham is delighted to be involved in this."

# Ketch targets new ocean challenge

**BASINGSTOKE'S** Captain Ketch has revealed his plans to travel across the Atlantic Ocean in a pedalo on his "wackiest" challenge to date.

The Riverdene adventurer will make the near 3,000-mile trip from the Canary Islands to Antigua at the end of January alongside rowing rookie Anthony Thomas.

Real name James Ketchell, the 33-year-old has already single-handedly rowed across the Atlantic, climbed Mount Everest and completed a 18,000-mile cycle challenge since being involved in a serious motorcycle accident in 2007.

But despite his last test ending prematurely after being forced to pull out of a world record attempt to row across the Indian Ocean in July alongside epilepsy sufferer Ashley Wilson, Captain Ketch hasn't been put off embarking on another deep-sea adventure.

He said: "It's a bit crazy and is definitely the wackiest challenge I've ever attempted."

"But when Anthony told me that he wanted to do it, I thought 'this is so cool, we've got to do this'."

"I feel safe out there in the Atlantic and, as I did this exact route in 2010, it will bring back a lot of good memories."

By **Christian Wilson**

[christian@observergroup.co.uk](mailto:christian@observergroup.co.uk)

Motivational speaker Ketch will make the mammoth crossing with 57-year-old Anthony, of Petersfield, in a unique boat that will mix both pedalo and rowing power.

The pair are aiming to raise £100,000 for Sutton Scotney-based children's hospice Naomi House, with the charity praising the duo for their "incredible" challenge.

The hospice's chief executive, Mark Smith, said: "This has to be one of the largest and most challenging fundraising activities ever undertaken on behalf of Naomi House & Jacksplace."

"We wish James, Anthony and their support crew all the very best of luck as they begin preparations for this incredible event."

"Their undertaking has captured the imagination of all of us and we could not be more grateful that they have chosen to support the children, young people and families that rely on our service."

Ketch added: "Naomi House do such wonderful work, so this was a no-brainer for me."

"When people think of pedalos, they picture a boat with a giant

slide on it on a beach somewhere – although I don't think I'll be able to persuade Anthony to include one!

"This is his vision, so I feel quite privileged that I'm in a

position to help people like him and Ashley fulfil their dreams, which I get more joy out of than fulfilling my own."

## New hospital lounge opens

THE first phase of a £1.3million facelift of part of Basingstoke hospital has been opened to patients.

A new discharge lounge and four consultation rooms are part of the initial round of developments at the Diagnosis Treatment Centre (DTC).

The facility is designed to provide extra comfort for patients waiting to be discharged and sent home, with the new lounge much larger than the facility it has replaced.

Deputy sister in the pre-op and discharge lounge, Katie Bunce, said: "We are delighted with the new facilities."

"It's a really good way to celebrate the centre's 10th anniversary."

"The lounge is a more spacious and comfortable environment for patients waiting to go home, while the consultation rooms will allow us to provide maximum levels of dignity and privacy for patients."

"The staff have done a fantastic job of maintaining services and capacity during the building work, so I would like to say a big thank you to everyone."

A refurbished endoscopy treatment room and dedicated recovery area are next in line to be completed as part of the project, with the facilities set to open in the New Year.

Once the improvements are finished, both pre- and post-operative services will be staffed by one set of nurses, improving continuity of care for patients.

# Children's unit is given cash boost

A LOCAL dance group has raised more than £4,000 for a children's unit at Basingstoke hospital.

Around 100 youngsters ranging from two to 18 years old from JG Dance helped raise the much-needed funds.

The group raised a total of £4,448 from their annual show, named American Dream, held at The Haymarket in July.

And all of the money has now been donated to children's day assessment ward the Charlie's Day Unit (CDU) at Basingstoke hospital, with JG Dance manager Christine Stefanopolous speaking of her pride at the youngsters' achievement.

She said: "We chose to raise money for Charlie's Day Unit because it is local to us and does a great job for children."

"Some of our pupils have been treated here and it's a great unit."

"Our target was to raise £4,000, so I am delighted with the total we managed to get up to."

"It's the most we have ever raised, so everyone is really pleased."

Christine added: "I'm really proud of the children - they worked together like a family and when it was over, they just

[christian@observergroup.co.uk](mailto:christian@observergroup.co.uk)

wanted to go on stage again."

The CDU looks after acutely ill babies, children and young people, while also offering quick

access to assessment from clinicians with paediatric expertise.

Clinical lead of child health at the hospital, Lorraine Major, said: "That amount of money will make a real difference, and we will ask for feedback from the patients and make sure we use the money in a way that will

make a difference to them."

"I want to say a big thank you to JG Dance, because, having done some fundraising myself, I know how much effort it takes to raise this much money."

### Housing bill

**BASINGSTOKE:** MP Maria Miller supported the new Housing Bill in parliament earlier this week.

The House of Commons gave the bill - which will look to help more people have a home of their own - a second reading on Monday.

Mrs Miller said: "I am supporting the new measures because they mean more Basingstoke families can have the security that comes with their own home."

### Spooky fun

**BASINGSTOKE:** Festival Place shopping centre hosted a string of scary activities on Saturday and Sunday as Halloween descended on Basingstoke.

The centre was transformed into the town's very own Spooky Hollow during the two days, with fundraisers raising money for the Ark Cancer Centre Charity by holding face painting and nail art stalls.

Customers also had the opportunity to win a wide-range of centre prizes across the weekend by taking scary pictures in a custom-built photo booth and sharing them via social media with the hashtag #spookyfp.

## Recycling banks

**BASINGSTOKE AND DEANE:**

An extra seven recycling banks have been added across the borough to handle the area's 14.5 tonnes of unwanted goods.

The new collection banks can be found at Bishops Green Village Hall, Royal British Legion Club in Bramley, Recreation Ground car park in Burghclere, Penwood Village Hall, Stratton Park, Oakridge West Community Centre and the Winklebury Centre.

The Basingstoke and Deane Borough Council-led project's aim for the banks is to stop people from putting old electrical items, which plug in or use batteries, into their grey bins.

Cabinet member for regulatory services and the environment, Cllr Hayley Eachus, said: "It is great news that recycling rates have increased in the borough and really encouraging that the electrical collection banks are proving so popular."

# Service to honour the town's heroes

**WAR heroes past and present will be honoured this weekend at Basingstoke and Deane's Remembrance Sunday service.**

A parade led by the Guards Division of the Corps of Drums will take place just before 11am at the War Memorial at the borough council's civic offices in London Road.

This will be followed by a fly-past by RAF Odiham, which will precede the Last Post bugle call and two minutes' silence for those who have fallen serving their country over the years.

The mayor of Basingstoke and Deane, Cllr Anne Court, will lead the laying of wreaths at the ceremony, alongside Basingstoke MP Maria Miller and Hampshire Brigadier Deputy Lieutenant David Innes.

Both VE and VJ Day will be acknowledged with the reading of poem 'High Flight' by cadets from 443 sqn ATC in honour of the 75th anniversary of the Battle of Britain, with Cllr Court urging residents to come out in force at the event in support of service men and women.

She said: "We will welcome everybody who would like to come along and pay their respects at

either of these events.

"They will have even more poignancy this year as we mark the 75th anniversary of the Battle of Britain and the 70th anni-

versaries of Victory in Europe and Victory in Japan days."

Members of the public will be able to add their own poppy crosses in remembrance of relatives or friends at the War Memorial ahead of the service.

And the site will also mark Remembrance Day next Wednesday by observing two

minutes' silence, which will be marked by a secondary bugler.

Cllr Court added: "I urge people to show support for the Royal British Legion Poppy Appeal by buying a poppy and wearing it

with pride.

"In doing so, we remember the sacrifices made by our armed forces in order that future generations are able to live in peace and freedom."

## Council's cycling strategy moves into the next gear

**RESIDENTS** are being encouraged to give their views on a draft cycle strategy for the borough.

Basingstoke and Deane Borough Council has worked with charity Sustrans to create the strategy after consulting people in the area.

And the authority is now asking both local cyclists and people that don't cycle to give their online feedback on the plans between now and Friday, December 8 by completing a survey.

A cycling route map for Basingstoke and Deane will then be drawn up following the consultation to help cyclists find the best and safest routes to travel and encourage more residents

to get on their bike.

Council cabinet member for planning and infrastructure, Cllr Mark Ruffell, said: "We received great feedback when we last asked residents and visitors how cycling could be improved in the area."

"The draft strategy has been created to encourage cycling as a means to access employment, education, services, or for leisure."

"We are keen to hear what everyone thinks, particularly around what our priorities should be, so please let us know."

For more information on the scheme and how to complete the survey, visit [basingstoke.gov.uk/cyclingstrategy2015](http://basingstoke.gov.uk/cyclingstrategy2015).

# Local plan 'will fail', councillor warns

**A COUNTY councillor has warned that the borough's draft local plan "will fail" unless a "full vision of the end product" for the western side of Basingstoke is drawn up.**

Proposals to build 850 homes every year until 2029 as part of Basingstoke and Deane Borough Council's local plan are currently being considered by a government planning inspector.

Key to this figure will be the 4,000-home Manydown development, the 750 home site at Hounsome Fields and the build of 310 houses at Kennel Farm – all on land to the west of Basingstoke.

But with associated roads also needed as part of the developments, Hampshire County Council's member for Basingstoke North West Cllr Stephen Reid has accused the borough council of not planning far enough ahead.

He said: "It is not enough simply to look forward to 2029.

"We're talking about around 10,000 homes and the infrastructure needs to be planned in advance.

"More work needs to be done – without a full vision of the end product, the local plan will fail to lay a firm enough foundation for the future of Basingstoke."

Planning inspector Mike Fox

By Christian Wilson

[christian@observergroup.co.uk](mailto:christian@observergroup.co.uk)

is currently in the process of conducting a five-week examination of the borough council's housing plan, which is due to be concluded this Wednesday.

The council's policy manager Jill Fisher said: "The inspector has asked the council to respond in writing on a number of issues and he will be recommending any changes he feels need to be

made at the end of the hearings. "Any changes made to the local plan will be the subject of a six-week period of public consultation in the new year."

Residents will be given the chance to help draw up the masterplan for the Manydown development this weekend through a special event held at War Memorial Park.

But while he acknowledged that this would help in ensuring that plans are correctly drawn up for the long-term, Cllr Reid questioned why Network Rail

hadn't yet been consulted over the possibility of a new crossing being needed as part of the development.

He added: "The council should know by now whether a new crossing of the railway line will be needed and when.

"I assume that Network Rail is a statutory consultee, but it seems that they have not been contacted – what if they say no?

"If we don't know what the nature of that will be then there's a lot of work that might be rendered nugatory."

## Council is nominated for top award

**HAMPSHIRE County Council has been nominated for a national award for its innovative design work at a Basingstoke infant school.**

The council's property services landscape team have been shortlisted for the 2015 Landscape Institute Awards following the group's creation of an outdoor learning environment at Oakridge Infant School.

A new bike and trike circuit, a grassy area for teddy bears' picnics and a wigwam for role play were all included at the school in Oakridge Road as part of the collaboration with the school community.

The awards celebrate outstanding examples of work by the landscape profession, with winners due to be announced on Thursday, November 26.

Council leader Roy Perry said: "To be shortlisted for such a high profile national award is testament to the high quality service provided by our in-house landscape architects.

"School landscapes play an important role to support learning and play outside the classroom, and the team are highly dedicated in the support they provide to schools.

"This collaboration, along with the team's experience of working with staff, pupils and the communities involved, mean valuable outdoor spaces can be delivered which benefit pupils across Hampshire."

# UK WATER SOFTENERS

Established 20 years

Hard water is something we are all used to in Hampshire, although most of us have got used to putting up with it, many do not realise that you can do something about it. It furs up our heating systems, causing breakdowns, makes it more expensive to heat our homes and damages our appliances. The other problem with limescale is the constant cleaning of showerheads, shower screens, stainless steel sinks, the whole house can suffer where hard water is concerned. Limescale aggravates skin problems such as eczema and psoriasis. With a water softener no limescale will get into the house, which means you will have to do less cleaning, stop buying limescale related products, cut washing powder use by up to 75% and have less chance of large bills for potential future problems with your heating system and appliance breakdowns. If you were to purchase an ordinary softener you would have quite a large machine, which requires you to set clocks and lug around a 25kg bag of salt. The

TwinTec S3 is different. It is small, requires no electricity and uses block salt (like two house bricks) instead of heavy 25kg bags. Harvey Softeners has been manufacturing softeners in this area for more than 35 years. Kevin Goody (UK Water Softeners) is one of Harveys top TwinTec dealers and was voted number two in the country last year.

## Why is Kevin so successful?

He puts it down to extensive marketing and a great plumber with a wealth of experience having worked for the manufacturers for the last four years, good customer satisfaction and recommendations. Kevin has installed 4800 water softeners in homes in this area over the last twenty years and arranges everything from initial survey to installation. Kevin Goody also welcomes trade enquiries. We also service & repair Kinetico Water Softeners.

## Festival Place gets festive with rebrand

FESTIVAL Place is getting into the festive spirit early this year and will change its name to celebrate the return of Santa.

The Basingstoke shopping centre will be rebranded as 'Festive Place' until the New Year to help generate some Christmas cheer from next Friday.

Festival Place's Christmas programme will also be launched on the same day by the centre's annual light switch-on in the evening, which will feature entertainment from the Military Wives Choir, Jersey Boys' tribute act 'Walk Like a Man' and a fireworks display.

Festival Place centre director Steve Connolly said: "We are thrilled to be embracing Christmas this year with our festive rebrand."

"By changing our name and hosting a range of events and activities, we are hoping to spread the Christmas cheer."

The centre will take part in a festive shopping experience from across the Atlantic when it introduces American discount event Black Friday to Basingstoke on Friday, November 27, with opening hours extended until 9pm.

Festival Place will also continue a Christmas tradition a little closer to home on Sunday, December 6, when a Santa Parade marches through the centre from 11.30am.

# Drug victim "was beyond redemption"

A MAN from Hook died after taking a mixed amount of mephedrone and heroin that would have both been "enough to kill him on their own" - an inquest has heard.

Stephen Edmonds passed away at his home in Andwell Lane with a needle in his arm having overdosed on the "toxic" drugs earlier this year.

Work colleague Ruddy Coco discovered Mr Edmonds at the house, and admitted spending 45 minutes trying to revive the unconscious 45-year-old before eventually alerting paramedics.

A post-mortem found that Mr Edmonds had 3.5mg of mephedrone and heroin per litre of blood in his system at the time of his death on March 8, although doctors admitted it was "difficult to predict" whether his life may have been saved had there been no delay.

Home Office consultant pathologist Dr Amanda Jeffery said: "In absence of any evidence of brain injuries, it is clear that the death was from drug use."

"The concentration of both was fatal enough to kill him on their own, although it's difficult to predict the combination of these two drugs."

Mr Coco, of no fixed address, was arrested by police officers following their arrival at around 1.30am after being found to have

By Christian Wilson

[christian@observergroup.co.uk](mailto:christian@observergroup.co.uk)

wraps of heroin and mephedrone on his person, while his phone records showed that he had contacted a suspected drug dealer in the hours previously.

A separate text reading "I think Steve is dead" was also sent from the mobile at 11.01pm of the night of the incident, prompting police to speculate that the pair had been using together.

DC Andrew Greaves said: "We attended the address to find Ruddy Coco on the premises with drugs in his possession, and he was promptly arrested."

"He claimed that he was in a separate room to Mr Edmonds, before eventually discovering him, panicking, and trying to revive him by putting him in the shower for 45 minutes."

"While there may be a moral duty of care to help people, there's no legal precedent to do so."

Speaking at last Wednesday's inquest at Basingstoke Law Courts, North East Hampshire coroner Andrew Bradley recorded a verdict of misadventure, saying: "He's died almost immediately and I suspect that he was beyond redemption

The inquest for Stephen Edmonds took place last Wednesday morning at Basingstoke Law Courts

before anything could be done to save him."

He continued: "I think it's significant that he'd been trying to decrease his dose of these toxic drugs, but then thought

he could go back to his previous 'safe levels'."

"It's a matter of great sadness and is such a waste, but he didn't suffer and would've known nothing about it."

## Sudoku

The objective is to fill a 9×9 grid with digits so that each column, each row, and each of the nine 3×3 sub-grids that compose the grid (also called "boxes", "blocks", "regions", or "sub-squares") contains all of the digits from 1 to 9. The puzzle setter provides a partially completed grid, which for a well-posed puzzle has a unique solution.

# Lily blossoms in Thatcham celebrating 3 years in the town!

IT was a busy week at Lily Ladies Fashion last week, starting with birthday celebrations on the 24th October after successfully trading in The Broadway in Thatcham for the past 3 years. Co-owners Sara McAndrews and Christine Black were delighted that Thatcham Deputy Mayor Ellen Crumly arrived to make the event official and greeted customers old and new with a glass of champagne!

The shop has been completely refurbished and boasts a fresh new look with spacious dressing rooms, a vast range of accessories to compliment the clothing and is very welcoming. Doors opened at 10am and the fully stocked boutique was soon buzzing with enthusiastic customers eager to check out the new ranges and the first purchaser, Judy King, was presented with a complimentary bouquet. Upstairs there is a fully stocked shoe department,

with Heavenly Feet™ being their best seller. There was also an extra treat in store with a free make-up presentation by Lee-Sian Black, an independent presenter for Younique™ make-up and cosmetics.

Sara and Christine have also

Donkey Sanctuary in Oxfordshire. Both Chris and Sara raise a lot of money throughout the year for various charities and are proud of the contributions they've made.

Lily's are a big part of the local community as they are

## Bloomfield play in Basingstoke

A MYSTERY thriller production will be keeping audiences at The Haymarket on the edge of their seats when 'Portrait of Murder' arrives at the Wote Street theatre.

Written by Robert Bloomfield, the play focuses on Paula Barlow, a rich and successful author who has lost all of her memory and cannot recollect her past or remember who she is following a bad accident.

After failing to recognise her husband, home or friends, Paula becomes vulnerable and is unsure of who to trust and what to believe.

"Performing to an audience who really get involved in the complex plot of this thriller is very satisfying," actress Michelle Morris, who plays Paula Barlow, told the Observer.

"When speaking to audience members afterwards, not one of them has ever guessed the ending, so this is very rewarding.

"Portrait of Murder' will be my fifth time performing at The Haymarket, and I'm very happy to be returning."

Performed by the Talking Scarlet Theatre Company, the play stars a number of actors and actresses who have appeared in a number of different television shows.

This includes former Brookside actor Marcus Hutton and star of Angles Erin Geraghty, who both make

By James Richings

appearances in the production.

But it's Michelle, who once starred in the ITV drama series 'Knock Knock', who gets the nod to play the leading role.

And despite the play being aimed at an older audience, the actress hopes to inspire the next generation of actors and actresses working in the industry.

"The part of Paula Barlow attracted me to the play as it is a gift of a role," she added.

"She is a very strong but flawed character with many sides, which is a real challenge and a total delight to play.

"When I first read the script, I knew immediately that I wanted to play her."

Michelle continued: "To say anymore about the character would reveal the plot of the play!

"I love my job and I am very lucky to be able to make a living from it.

"The advice I would give to any aspiring performer is that you will never stop learning.

"Be prepared to take risks and an acting career is a marathon, not a sprint."

Six shows will take place during the four-day run, with tickets costing from £11 to £22.

For more information or to book, go to [anvilarts.org.uk](http://anvilarts.org.uk).

## Breaking Bad by one man

FOR five years, *Breaking Bad* was one of the TV shows that everyone in the country had their eyes glued to with its gripping storylines.

But a somewhat humorous and light-hearted adaption of the award-winning crime drama show will be hitting The Anvil when Miles Allen's, 'One Man Breaking Bad: The Unauthorised Parody' arrives on Sunday, November 8.

"It's a farcical love letter to all the people who went through the bloodbath and tears of 'Breaking Bad' and who are wanting to go on a nostalgia trip and laugh at all the things that made it so special to them," Miles said.

"There are jokes I play on different scenes, including the more serious moments where we have an interesting take on them that leaves the audience in stitches and along the way there are other pop culture references.

"Sometimes I'll make comments about the series and my own experience with it plus there a bunch of other different impressions in the show like, 'Family Guy', 'Back to the Future' and

By James Richings

'Lord Of The Rings'.

'Breaking Bad' was first aired on our screens back in January 2008 and focuses on chemistry teacher Walter White who diagnosed with terminal lung cancer and embarks on a career of drugs and crime in order to secure his family's future.

And with Miles' comical interpretation of the show being a huge hit at the Edinburgh Festival and on YouTube, he hopes the audience in Basingstoke appreciates his comedy adaption.

"I think it's the greatest television show ever made because with every aspect of the show, everything is at 110 per cent," Miles said.

"The writing, the acting, the music, the editing, everybody seemed to be on their game.

"I think it was better than any other story I've ever seen put on screen as it looks at the concept of the slippery slope."

The show starts at 7.30pm and tickets cost £19.50.

## WE ARE BRONTË

'We Are Brontë' is a piece of comic visual theatre inspired by the real and imaginary worlds of Yorkshire's literary siblings, presented in Publick Transport's irreverent style. Physical theatre collides with stand-up, clowning and improvisation as two performers deconstruct not only gothic themes of love, madness, repression and revenge, but also

themselves. Part play, part enquiry into the act of putting on a play, this promises to be no ordinary Brontë adaptation.

## PRINCESS AND THE PEA

Once upon a stormy night, while the wind and the rain were howling outside, the Royals were all tucked up warm in bed. Suddenly there came a knock at the door and a very wet, very untidy girl was brought inside...

Become part of this playful and comic story of a prince in search of a 'real' princess, a clever queen, a girl who is not as she first appears, a tower of mattresses and of course a tiny pea.

This quirky and inventive adaptation of Hans Christian Andersen's bedtime tale is played out among sheets and blankets with puppets, objects and dreamlike projections.

Advertorial

# All-weather entertainment!

WE had arranged to take our four grandchildren out for a day over the October half term week as we do every year.

This year the weather was not looking too good, so we looked for somewhere that would be appropriate for dry and/or wet weather.

We decided upon 4 Kingdoms in Thatcham, although we had never visited there before it looked ideal as it has a large indoor play area as well as outside facilities.

When we arrived it had recently been raining and was

rather windy, so we started our day in the huge barn which contained climbing frames, go karts, a ball pit and animal pens. The children were keen to see the animals (we have four grandchildren aged from 3 to 12). When we got to the animal pens there were pigs, ponies, rabbits, sheep, and, of course Fred the ferret! Fred was being walked at that time and the children took turns to walk him around the pens. The keeper Carl was so passionate about his animals and took great delight in telling us all about Fred and his friends.

One other thing to note is that once you have paid your entrance ticket, everything is free, which, considering all the children made good use of all the rides, was excellent value for money. The go karts proved very popular indeed!

After lunch the weather improved and we ventured out into the large outdoor area, with bouncy castles, slides, more animals, trampolines just to mention a few!

Later in the afternoon we did the 'spooky walk' which was specifically for Halloween, very scary!

Overall we found the staff there extremely friendly and helpful, especially with the children, who thoroughly enjoyed the whole day. We will be returning there again, maybe on a warmer day where we will be able to enjoy the outside facilities even more.

I would thoroughly recommend a visit there, it is perfect for children of all ages, including me!

## Taking a look back over five decades following the Japanese car company's expansion to Britain

# Honda marks 50 years in the UK

THE UK was a very different place 50 years ago.

The Beatles made music history by performing the first ever stadium concert, children were entertained by shows such as Tom and Jerry and Thunderbirds, cigarette advertising was banned on British TV, the Sound of Music was premiered and Winston Churchill was laid to rest.

And 1965 was also a very important year for Honda, not just as the year of their first Grand Prix win in the RA272 with Richie Ginther in Mexico, but as the year the Japanese car manufacturers started to trade on British soil.

In the last five decades, Honda has cemented itself as one of the leading motor brands on the planet, and is one of the top-20 biggest brands in the world.

The company employs more than 182,000 employees worldwide and has 40 manufacturing facilities, making everything from 25cc leaf blowers to \$4million business jets.

Last year global sales hit 27.3million, made up of 17million motorcycles, six

By James Richings

million power products and 4.3million cars.

"This year marks our golden anniversary in the UK with 50 years of rich history in trading bikes, power products and cars," Philip Crossman, managing director at Honda UK, said.

"While this year has been significant in refreshing the car range in its entirety and launching several important new bikes, the Japanese way is to take a much longer viewpoint than just 12 months."

And this year is also the 30th anniversary since Honda set up its first UK manufacturing headquarters called HUM (Honda of the UK Manufacturing).

Based in Swindon employing 3,200 people, HUM has made cars including the Honda Civic, Honda CR-V, Honda Fit and Honda Accord.

It is also the global hub for the production of the new five-door Honda Civic, on sale next year.

But it is their motorcycle division

which has made the most impact in the UK market, with a market share of almost 20 per cent across its product range of 65 different models.

Last year alone Honda sold 19,000

bikes in the UK.

"Our business has changed radically over since it launched in the swinging sixties, adapting and evolving to suit the demands of riders and drivers over

the years," Phillip said.

"I can well imagine Honda will be a completely different organisation in 2065 - but still selling quality and trusted cars, bikes and power products."

Responsible drivers scrap their vehicles at an

Because only an ATF can legally scrap a vehicle.  
That means any pollutants will be made safe before it's recycled in an environmentally friendly way.

What's more, for certain types of vehicle you'll get a DVLA approved Certificate of Destruction (CoD). A CoD proves the ATF has told DVLA your vehicle has been scrapped and is no longer your responsibility. [www.direct.gov.uk/motoring](http://www.direct.gov.uk/motoring)

# Bison charge halted by defeat to Wildcats

## Stoke suffer first defeat to drop to second in table

**BASINGSTOKE** Hockey Club men's firsts tasted defeat for the first time this season on Saturday.

A late goal saw Basingstoke lose at Wimborne Wayfarers firsts 4-3 and allowed Bourne-mouth to overtake them at the summit of the Hampshire Surrey 1 table.

Basingstoke went into the match in fine form having beaten Chichester seconds 8-1 a week earlier - the club's third win from the opening four matches.

But they quickly found themselves two goals down as Sam Butterfield and Todd Clark both scored to give the Aerials the advantage.

A Grant Rouse goal just before half time looked to have handed the visitors a lifeline as the half came to a close.

But there was still time for Butterfield to strike again to restore the two goal cushion, which he did in fine fashion.

Jed Mills and Ben Jubin restored parity after the break to make it 3-3, before a mistake from Dan Bowden allowed the hosts to grab a late winner through Clark and claim the three points.

**BASINGSTOKE** Bison's time at the top of the English Premier League (EPL) was abruptly ended on Sunday following a 4-3 overtime loss to Swindon Wildcats.

The Stampede had climbed to the summit the previous night after capitalising on a surprise Milton Keynes Lightning loss to maintain their 100 per cent home record with a 4-1 win over Manchester Phoenix.

But a Jonas Hoog goal, coupled with a late overtime win for the Lightning in Manchester just 24 hours later, meant that Doug Sheppard's side were leapfrogged at the end of game week eight on score difference.

The Herd went into the double header on the back of their third four-point weekend of the campaign seven days earlier, following wins over Swindon and Sheffield Steeldogs.

Despite going into Saturday's clash knowing that they had already beaten the Phoenix on two occasions this season, Bison found themselves behind in the opening period as James Archer beat Tomas Hladovsky at 16:38.

The home side were level inside 63 seconds of the second period however, after captain Aaron Connolly fired the puck between the pipes.

And the comeback was complete on 46:07 as Stuart Mogg scored, before his team mates then did superbly well to keep out the visitors for 71 seconds

while the forward and Alex Symonds both sat in the sin bin. Bison's Joe Greener and Tomas Karpov then scored two superb solo efforts on 53:49 and 57:24 respectively to seal the game and send the Basingstoke Arena hopeful home happy.

The Stampede started slowly again the following night as Swindon's Stevie Whitfield rattled Hladovsky's crossbar, before the hosts then made the most of a powerplay to take the lead through Carlo Finucci on 10:42.

And after seeing Shaun Thompson and Alan Lack both denied by Wildcats goaltender Stevie Lyle, Bison were then punished for being a man down 52 seconds after the buzzer as Adam Harding tucked the puck home to make it 2-0.

Two goalmouth scrambles then drew Basingstoke level before the end of the second period as Connolly and then Joe Rand found the net to make it 2-2.

Hoog looked to have won it for the hosts with a little over five minutes of the game remaining after hooking in Finucci's drive at the back post.

But with just 12 seconds left on the clock Karpov combined with Ciaran Long to find the net and

extend the game to five extra minutes.

In the end though, Swindon and Hoog were not to be denied, as the Swedish import stole possession, streaked up the ice and beat Hladovsky 49 seconds into overtime to seal the win.

Basingstoke are next in action on Saturday when they will host Sheffield Steeldogs at Planet Ice, before then travelling to face fierce rivals the Guildford Flames on Sunday.

## Sport Bites

### Town win again

**FOOTBALL:** Basingstoke Town Ladies made it three wins from three in the league on Sunday after beating Banbury Utd 2-0 on the road.

Goals from Lindsey Beverley and Charlie Fry paved the way for another win for 'Stoke to leave them in second spot in the Southern Region Women's Football League (SRWFL) Premier Division.

Basingstoke will look to collect their fourth league win on the bounce this Sunday when they host Oxford City Ladies.

### Buffalo blitz

**ICE HOCKEY:** Basingstoke Buffalo blew Hampshire rivals Wightlink Raiders away on Sunday to claim a massive 13-1 victory.

Mark Pitts claimed five goals during the rout, while Warren Jones and Daniel Lackey both added two apiece.

Ryan Sutton, Kyle Goddard, Greg Martyn and Matt Levy also added their names to the list to lift the Buffalo up to second spot in the National Ice Hockey League Division 2 South.

Basingstoke don't play this weekend, but are next in action against bottom of the table Swindon Wildcats a week on Sunday.

### Double delight

**FOOTBALL:** Hartley Wintney and Tadley Calvea both earned a place in the second round of the FA Vase on Saturday.

A brace from Shane Hollomby and a goal from Sam Argent helped Hartley beat Wokingham and Emmbrook 3-1 to set up a home clash with Windsor in the next round.

Elsewhere, Tadley saw off Littlehampton 2-1 to set up a tie with Haywards Heath in the second round, with the games due to be played on November 21.

### Rugby return

**RUGBY:** Basingstoke RFC will return to action on Saturday after a break from action due to the Rugby World Cup final.

'Stoke will welcome Cobham to Down Grange as they look to register their first points in what has been a difficult season for Gareth Hatherley-Hurford's side in the London Two South West division.

• **Basingstoke Town boss Jason Bristow**

## Bristow remains buoyant about future

**BASINGSTOKE** Town manager Jason Bristow has insisted that his side have "come a long way" in recent weeks, despite being condemned to their eighth loss of the season on Saturday.

The Dragons twice came from behind but were still unable to grab a point in a 4-3 thriller at Maidenhead United - a result that resulted in them sinking back to the bottom of the National League South.

But after witnessing his team score three goals for the third consecutive match, and finally breaking their run without a win seven days earlier, Bristow was positive about the future.

He said: "It's frustrating because we didn't deserve to lose and I thought we were going to go on and win it when we made it 3-3.

"But then we've been hit by a real sucker punch, and it's those small margins that are costing

us at the moment.

"We've come a long way over the last few games though, and are really not that far away."

Town will return to FA Cup action this Saturday, as they travel to League Two side Cambridge United, looking to improve on last season's display in the competition and progress to the second round.

And while he acknowledged that his side would already go into the tie as underdogs, Bristow also warned of the complications that could arise following the U's decision to part company with former manager Richard Money on Monday.

He added: "Everything might change because of the arrival of a new manager, so we will need to deal with that in our plans.

"We're not going up there to celebrate being in the first round, we want to be in the hat for the next stage, and are confident of getting the win."

# EX-PLAYER EDGES OUT DRAGONS IN THRILLER

**BASINGSTOKE** Town returned to the bottom of the National League South after losing 4-3 at in-form Maidenhead United on Saturday.

Former Dragons forward David Tarpey scored the decisive goal seven minutes from time to claim his hat-trick and condemn his ex-employers to their eighth defeat.

Goals from Shaun McAuley, Louie Soares and David Ray had looked to have secured Town a vital point as they looked to build on their first league win of the season at home to Whitehawk four days earlier.

But while Jason Bristow's side hit three goals for the third game running, it wasn't enough to avoid defeat to the Magpies.

By **Christian Wilson**

christian@observergroup.co.uk

The Basingstoke boss kept the same 11 for the trip to York Road that had featured in last Tuesday's win at The Camrose, and he was rewarded in the 17th minute as McAuley capitalised on a poor piece of goalkeeping from Carl Pentney to fire through a crowded penalty area and into the net.

That joy was short-lived however, as just five minutes later the hosts levelled in rather fortuitous fashion, with Harry Pritchard's shot deflecting kindly into the path of Tarpey, who slotted past Aaron Howe.

And the 26-year-old was involved again as Maidenhead took the lead for the first time in the match just after the half hour mark, as his free kick found captain Alan Massey who sent a rocket into the corner.

Pritchard then came inches away from grabbing a third, before 'Stoke equalised with the last kick of the half as midfielder Soares punished a Massey mistake in devastating fashion following a superb flowing move from the visitors.

Having worked so hard to get back in the game, Basingstoke found themselves behind again 10 minutes after the break as Tarpey made the most of space in the box to lash the ball home. Magpies striker Pritchard then

missed two guilt-edged opportunities to keep the Dragons in the game, with captain Ray then making it 3-3 with a close-range header on 76 minutes.

Only the legs of Pentney prevented substitute Liam Enver-Marum from giving Town the lead for the second time just moments later.

And the big striker's miss proved to be costly as that man Tarpey was on hand yet again to score the goal of the game in the 83rd minute - meeting Pritchard's deep cross with an exquisite flick to break Basingstoke hearts.

Next up for the Dragons is a trip to League Two Cambridge United in the FA Cup first round proper on Saturday.
